

CE Declaration of Conformity

We;

SANYO Component Europe GmbH
Stahlgruberring 4,
D-81829 München,
Germany

declare under sole responsibility that the products:

Photovoltaic Modules,

HIT-250E01, HIT-245E01
HIT-250E02, HIT-245E02

have been qualified according to IEC 61215, IEC 61730-1 and IEC 61730-2
have been tested according to the Test Procedure for the Determination of
Safety Class II of PV Modules (*).

and therefore are in compliance with the following European Directives:

Directive 2006/95/EC (Low Voltage Directive)

(* The basis for this Safety Class II test procedure is IEC 60664-1:2007
the list of following applicable safety standards: IEC 61140:2001
EN 50178:1998
IEC 61721:1995

Date that CE Marking is affixed: 2010

Signed:

Yasuharu Matsukawa
President and Legal Representative

Date: 13-January-11
